**THANK YOU, DEE, FOR ALL
YOU DO FOR THE CHAPTER!**
(Dee Oakland – President)

This will give you a laugh!

This two-letter word in English has more meanings than any other two-letter word, and that word is **'UP.'**

It is listed in the dictionary as an [Adv], [prep], [adj], [n] or [v].

It's easy to understand **UP**, meaning toward the sky or at the top of the list, but when we awaken in the morning, why do we wake **UP**?

At a meeting, why does a topic come **UP**?

Why do we speak **UP**, and why are the officers **UP** for election and why is it **UP** to the secretary to write **UP** a report?

We call **UP** our friends and arrange to hook-**UP** at the mall.

We brighten **UP** a room, polish **UP** the silver, warm **UP** the leftovers and clean **UP** the kitchen.

We lock **UP** the house and fix **UP** the old car.

At other times this little word has real special meaning. People stir **UP** trouble, line **UP** for tickets, work **UP** an appetite, and think **UP** excuses.

To be dressed is one thing but to be dressed **UP** is Special.

And this **UP** is confusing: A drain must be opened **UP** *because it is stopped UP*. We open **UP** a store in the morning but we close it **UP** at night.

We seem to be pretty mixed **UP** about **UP**!

My Goals for Website & Newsletter

- Keep the Website up to date – Please let me know when you see anything outdated, missing, or in error. I will correct it ASAP.
- Keep the Class schedule up to date – please check it now and then and let me know if I'm behind again.
Has PayPal been used at all?
- I'd like to publish a Photo Album with a link from the News page. Please email any photos (+ captions if you want) so I can begin building the Album. (Note: "the first thing you do in the morning" from Mark's article – is as *risqué* as I get) I plan to file the photos by year and President. I only have pictures beginning when Gene was President, so I need much more. I would love pictures from your travels as a president/leaders also.
- Post upcoming events on the Website and in the NL – please remind me if you see I've forgotten to do that.
- I'd love articles of interest from you for the Newsletter. If you want what "I know" – you'll get crochet patterns, items about searching for your roots, recipes (clue – I'm the world's worst cook) and adorable pictures of our Grandchildren☺
- I would also love outgoing remarks from our current President, and incoming remarks from our soon to be President. If any of you have suggestions for Chapter 45, let's post them on the NL also.

To be knowledgeable about the proper uses of **UP**, look **UP** the word **UP** in the dictionary. . . In a desk-sized dictionary, it takes **UP** almost 1/4 of the page and can add **UP** to about thirty definitions.

If you are **UP** to it, you might try building **UP** a list of the many ways **UP** is used. It will take **UP** a lot of your time, but if you don't give **UP**, you may wind **UP** with a hundred or more.

When it threatens to rain, we say it is clouding **UP**. When the sun comes out we say it is clearing **UP**.

When it rains, it soaks **UP** the earth.
When it does not rain for awhile, things dry **UP**.

One could go on & on, but I'll wrap it **UP**, for now
.....my time is **UP**!

Oh....one more thing:
What is the first thing you do in the morning
& the last thing you do at night?

U
P!
Now
I'll shut **UP**

(Thanks Mark, you've brightened **UP** our day!)

**BEFORE LONG IT'S GOING TO BE
UP TO YOU MARK!**

(Mark Dickson – President Elect)
