**606-** This one-day course discusses the environmental review process and the integral role it plays in project planning and design. This course covers the National Environmental Policy Act (NEPA) and other important legislation which guides the project development process as well as the various agencies and stakeholders involved. Participants will also be introduced to the ROW professional's role in project development process. **(Tuition \$265.00 IRWA member - \$330.00 Non-member)**

**604-** This one-day course provides the right of way professional with an understanding of the environmental due diligence process and the liabilities associated with purchasing property. **(Tuition \$265.00 IRWA member - \$330.00 Non-member)**

**Facilitated by: Fred Walasavage**, works for the Bonneville Power Administration in Portland, Oregon and has over 20 years of experience working in the environmental field. He currently serves as the Program Manager for Environmental Land Actions within Bonneville. His responsibilities include conducting all levels of environmental site assessments, conducting compliance audits, negotiating environmental issues on real estate transactions, preparing National Environmental Policy Act (NEPA) documentation, conducting biological assessments, acquiring permits and general project management. He is the past Chair of the IRWA International Environmental Committee, past Chair IRWA Region 7 and past IRWA Chapter 3 President, and is a certified professional auditor by the Board of Environmental, Health & Safety Auditor Certification. Fred has a MS Degree from California State University, Chico and a BS Degree from Unity College, Unity Maine.
